

### Astrology, A Basic Guide w/ Deborah

The focus of this workshop is to provide the participant with basic knowledge about the factors of astrology as well as important information to assist one in planning and timing events. We will discuss the symbols and basic meaning of planets, houses, signs, major aspects; moon phase information, and moon void of course. Planetary days and hours will also be covered. All will be presented in an easy to understand format with numerous handouts. A basic knowledge of astrology can greatly enhance your life's journey. This is an excellent point of introduction to this fascinating topic, numerous handouts. Offered Saturday, 1/2 11am-2pm., \$25, please register in advance, numerous handouts. **Last time offered until late autumn 2010.**

### Tree of Life, 7 Part Series w/ Deborah

#### **Class 1: Tree of Life - Framework of the Worlds**

The Pattern known as the "Qabalistic Tree of Life" is, in fact, a detailed system for correlating and accessing the wisdom and organization of the Universe, on the inner and outer planes. This class is designed to help you become acquainted with the aspects of this unique grid and to begin to utilize it in your life. We focus on how this living tree impacts on our personal studies. No knowledge of Hebrew or classical Qabalah is required or covered in this session. See how the Tree connects Tarot, Astrology, the Planes of Existence, our spiritual ascent from matter to Source, complete thought processes and more. The Tree of Life offers us an understanding of how to navigate our course of spiritual development. Learn the basics to begin a lifetime of study. Saturday, 1/9, 11 am - 1:30 pm \$20.

#### **Classes 2, 3, 4 Tree of Life - The Spheres**

This section of classes is the next step after "Tree of Life - Framework of the Worlds" class. As more and more people took the Framework class Deborah was repeatedly asked to do more detailed classes on the spheres of the Tree. This section is designed to fulfill those requests, being devoted to an in-depth study of the spheres on the Tree of Life. Saturdays on Jan 16, 23, 30, 11 am - 1:30 p.m., numerous handouts. \$20/class. No knowledge of Hebrew or classical Qabalah is required, but is it strongly recommended that the framework class is taken first.

#### **Classes 5, 6, 7: Tree of Life - The Paths**

This set of classes was created in response to numerous requests by those attending the Spheres classes. While the spheres are states of unique defined energetic frequencies, the paths are the connections, the movement occurring between them. The set is presented in 3 parts, as were the spheres, and studies the paths of each section of the Tree (Personality Connections, Higher Self, and Spiritual Self) in turn. On Saturdays in February, 6, 13, 20, 11 am - 1:30 pm, and each will have numerous handouts. Cost for each class is \$20. No knowledge of Hebrew or classical Qabalah is required, but is it recommended that the spheres section is taken first.

### Banishing Pentagrams & Hexagrams, Effective Clearing w/ Deborah

Sometimes other clearing methods are impractical and do not provide quite the desired effect. There are times when the energies of the Pentagrams and Hexagrams to clear the vibrations of the lower astral levels are exactly what's needed. An explanation of the "what's", "how's", "when's" and "why's" provide clear information necessary for anyone to effectively begin using these powerful techniques to clear out unwanted, displaced or negative energies. Handouts will be provided and participants will be guided through the actual Banishings. \$25, Tuesday, January 19, 7 - 9:30 pm.

### Astrology and The Elements w/ Bill

There are four elements that can be considered building blocks of this third dimensional reality: Earth, Water, Air & Fire. How does astrology treat these? What can astrology tell us about the elements, and how can we apply that knowledge to our understanding of this reality? This class is meant to address the many different facets of each element, and how an

understanding of this can produce a better understanding of the world around us, and how to synthesize this into our spiritual path and growth. Offered Saturday, Jan 23, 2 - 4 p.m. and has an investment of \$25.

### Eclipses: Gateways to the Shadow Self w/ Bill

Every calendar year there are four eclipses that happen. There are two Lunar, and two Solar. These are particularly powerful times of the year. When these events happen, there is an increased current of energy that can be used to access the shadow self. The shadow self is particularly open during these times, and it can be worked with more easily and with more dramatic results. This class will cover different techniques to use depending on the type of eclipse, and will discuss how the sign the heavenly body is in at the time of the eclipse can be used to greatest effect. It will also cover blending the two dominant energies together, addressing both the sun and the moon placements of such an event. Offered Sat Jan 2, 2:30 - 4:30 p.m. \$25

### Gemstone Crystal Energy Classes w/ Deborah

This is a 5-week intensive class on working with stones. A vast amount of information will be given. Topics covered include: Choosing, care, cleaning, charging and recharging crystals; ways of working with crystals, gemstone elixirs and remedies; art of laying-on-of-stones including preparation of self and place, healing do's and don'ts, detailed examination of several different layouts; an in-depth study of the quartz family; detailed study of chakras w/ relevant stones and specialized transformative new age stones; special techniques w/ stones such as aura work, tending to problem areas or issues, using wands and lasers. Class participants will give and receive several gemstone balancings over the length of the course. Detailed handouts accompany each class. Enrolled students receive a 20% discount on stone purchases on class dates after first class. Class size is limited to 8, \$25/class, Classes are 3 hours in length for 5 weeks, meeting every week. Series begins Wed, Jan 6, 7 - 10 p.m.

### Basic Development Class Series w/ Rev. Deborah

This series of eight classes is designed to provide a foundation for balanced growth. Topics covered include: Relaxing & Centering Methods, Creating Sacred Space, Guardian Angel Awareness, Guides & Teachers, Attracting Love, Working with Color Energy, Prosperity and Auras & Chakras. These classes are required before taking the Advanced Development Classes. Each class lasts 2½ hours. \$20/class, Advance registration is required, limited seating, handouts. A meditation is included with each class. Series begins Saturday, January 30, 2 - 4:30 p.m. Only 8 week Saturday series to be offered in 2010.

### The Goddess in Winter w/ Melina (Mel)

It would appear that all is quiet in the world at this time of year, however the many aspects of the Goddess are at work behind the scenes. In this class, we will explore ways to connect with Her during this season. We will also take a look at those goddesses of colder climates and find strength as they do. With all of this energy, we will start to plan the very beginnings of our solar year. What is it that you will create as the year unfolds? Tuesday, January 26, 7 - 9 p.m. \$20.

### Ascension, a Seven Part Series w/ Deborah

Several years ago, Deborah led an Ascension study group that continued for over 2½ years. During that time techniques were devised to speed the Ascension process. Material was gathered from several sources, presented, and guided meditations done to anchor the higher vibrational energetics into the class participants. This seven part series is a distillation of that entire program. The 2-year study's high points and most successful techniques are brought together in this 7-week presentation. This is a rare opportunity to accelerate your ascension work. Topics include: Removing & Clearing Negative Astral & Elemental Energies & Implants; Clearing & Cleansing; DNA Transformation; The Unified Chakra; Aligning the Higher Chakras; Working with the Masters of the Rays; Contacting the Lady Masters and the Divine Mother. Beginning Thursday, 1/28, 7-9:30 pm, includes a guided meditation and numerous handouts. \$20/ class.
