Mantra Strategies For Protection & Advance in Kali Yuga (Spiritual Winter)

In Kali Yuga, Spiritual Winter, things are grim. Eastern scriptures written hundred of years ago tell of a short life, physical and mental diseases, fighting for food, and other difficult conditions. According to those scriptures, are in the beginning stages of Kali Yuga. We currently live in an oasis of plenty, but most of us are looking over our shoulders at a host of potential personal and world problems.

When Krishna left just over 5,000 years ago, he said that he would not leave us adrift. He would send help in a variety of ways. Temple icons would be empowered. Saints and sages would take birth to help humanity survive and evolve. And spiritual formulas would be available to bring help to individuals, families and nations.

This workshop will go into depth about Panduranga, the Vishnu/Krishna energy in spiritual winter. There are stories about what Panduranga is, how to invoke Panduranga's energy and the connection of this energy to the Kalki Avatar.

Attendees will learn:

- Mantras for rapid spiritual advancement in Kali Yuga.
 - Mantras for protection in spiritual winter.
 - Mantras for attunement with Panduranga energy.
- The history of the Panduranga-Rama-Krishna connection.
- How saints have realized God – with form and without form – through Panduranga.
 - Mantras to activate the Sacred Heart, located just below the Heart Chakra.
 - Mantras for healing a variety of problems and conditions.

Attendees will receive a CD and a detailed handout of all mantras taught.

The workshop will contain a special Panduranga – 1,000 Powers of Vishnu Ceremony for protection as well as spiritual and material advancement in this Kali Yuga or spiritual winter that humanity is now experiencing. Of course, Namadeva will bring his tamboura for bhajans.
