New! Introducing Jo Anne!

Jo Anne works with Spirit as a Seer, helping individuals to be aware of that which they have hidden from themselves. In these shadows lie the answers that can restore a sense of wholeness and well-being. As each person travels their own special Life Journey, they encounter physical, emotional, mental or spiritual obstacles that block progress. While these obstacles make their presence known through physical or emotional discomfort, it may be hard to pinpoint their origin.

Jo Anne works with Spirit to energetically identify these obstacles, much like a "diagnostic check-up"! Then, through conversation and interaction, she helps each person to co-create a plan to restore balance, harmony, and awareness to continue on their path.

As a Reiki Master Practitioner, she also uses energy for healing on all levels, as well as the symbolism of Guided Imagery to reach beyond the roadblocks that our minds create.

Private Appointments now being scheduled, \$60/hour.
