Altars and How to Make Them
w/Bill

For those that work with nature based
spiritual belief systems, and are
proactive with their magickal and
spiritual development, altars play an
important role. Altars can serve many
functions, even if it is just honoring
ancestors. In this class, we'll discuss
how to build altars, what they represent,
and altar etiquette. Includes handouts. 7
-9 pm \$25 cash.

12/10 The Will to Change, the
Power to Heal w/Rev William

Please join us as Rev. William presents
some methods that are at the same time
unique and universal for understanding
ourselves and what we need to do to be
the whole, complete and healed person
we know we are inside. These
resources for introspection and
reflection help us to identify and
understand the source of the wounds
that keep us from being our true selves.
This is an interactive class so bring a
pen and paper and the willingness to
change! **6:30 – 8:30 pm \$25.**

**12/17 Celebrating the Sabbats:
YULE! w/ the Temple of
Witchcraft**
